

# The Mayors 2010 Spring Atlantic Golf Classic

Sponsored by: The New Jersey Conference of Mayors Business Council

Where:

Atlantic City Country Club

When:

April 27, 2010

Dear Friends:

You are cordially invited to participate in our first annual Mayor's Spring Atlantic Golf Classic to be held at the beautiful Atlantic City Country Club.

Held in conjunction with our annual spring conference, this Business Council event is sure to be a great outing for networking, recreation and good times.

The Atlantic City Country Club has been selected as the #1 public golf course in New Jersey by Golfweek magazine. It was in the Top 100 golf courses in 2008 as recognized by Golf Magazine. And it has been host to 6 Major USGA Championships along with being known as the site where the term "Eagle" was coined and the "Birthplace of the Birdie". You just can't get much better than this course in our region!

This event is a great kickoff to our annual New Jersey Conference of Mayors Spring Conference held at the luxurious Borgata. Our Spring Atlantic Golf Classic is a full day event from breakfast to a Cocktail Reception with prizes, gifts and much more. However, there is much to do even if you are not a golfer. Our non-golfer registration gives you an opportunity to network with Mayors, Legislators and other business leaders at this great venue as well.
